These music files are the ones that will be played when the jumpers compete. Also, please upload music for all freestyle event entries, even if music is not required for the age division championships (an example is the single rope freestyle event, which will not require music for the age division championships, but could be needed for the Grand World Championships). Late music submissions will not be accepted this year after the registration deadline. Directions for uploading the music files to the registration site can be found in the registration packet and if you have any questions or difficulty uploading music files, contact Chris Brown at chris@worldjumprope.org.
